

The 100th Anniversary Scholarship Project Update #6

\$100,000 Goal - To celebrate the CFUW's 100th Anniversary, the local, regional and national levels of CFUW have as their goal the provision of an additional \$100,000 in scholarships and awards in 2019.

\$Over 60,000 Received - Donations received by the CFUW Charitable Trust for additional national awards in 2019 now total over \$60,000

\$Over 30,000 Pledged – Many Clubs are planning to give additional local awards in 2019. Most Clubs are still fundraising and drafting criteria; however, current estimates predict that total to be in excess of \$30,000.

\$450 Needed - The 'Matching Gift Campaign' which was announced at the St. Catharines AGM in June needs nine more \$50 donations to achieve its goal of \$10,000. These contributions will be matched or effectively doubled up to the goal. Let's '*wrap-up this gift campaign*' as soon as possible!

20 Base Donors - Some Clubs have wondered who is supplying the 'matching' funds for the 'Matching Gift Campaign'. The matching donors are CFUW members from across Canada who support the CFUW Fellowship Program and the CFUW Charitable Trust and who responded to a request to initiate the campaign by committing to a \$250 donation. Thanks for their generosity!

107 Clubs - At the AGM in 2019, all Clubs will be recognized publicly for their additional local awards and/or donations to the CFUW Trust for additional fellowships in our anniversary year. To ensure that every Club that is participating is included, the CFUW's 100th Anniversary Scholarship Project Committee is contacting all Clubs that have not previously reported. In early February an email was sent to seventy Clubs requesting 100th Anniversary plans. The results are still being tabulated, and it appears that while some Clubs are raising funds for the CFUW Charitable Trust for additional awards at the national level, many more are planning to give local awards. This is exciting news!

If we missed your Club during our email campaign, please report your Club's plans to the 100th Anniversary Scholarship Project Leader, Lynn Franklin, at lynn.franklin@sympatico.ca .
