

The 100th Anniversary Scholarship Project Update #4

To celebrate the CFUW's 100th Anniversary, the local, regional and national levels of CFUW have as their goal the provision of an additional \$100,000 in scholarships and awards in 2019.

Donations received and committed to December 31, 2015, for local and national awards in 2019, now total over \$64,000.

The **CFUW Club Survey** that was emailed to Clubs in late October confirmed that a majority of Clubs are planning to participate in the CFUW's 100th Anniversary Scholarship Project. Two thirds of the respondents reported having a plan to give additional local awards with the phrase "CFUW 100th Anniversary" in the name. One third reported a plan to give a donation to the CFUW Charitable Trust in order that additional awards can be given through the national Fellowships program in 2019. Seventy percent were aware of the communications about the 100th Anniversary Scholarship Project on the CFUW public and member resource websites.

The **Survey** also showed that a majority of Clubs have not yet notified the project leader of their plans. While this may be related to the fact that final plans are not yet in place, we would really like to know your plans even if they are tentative. It would be wonderful to know how close we are getting to our final goal. It would also help the Fellowship Committee as it begins to plan for additional fellowships in 2019.

The 100th Anniversary Scholarship Project has requested two pages in the 100th Anniversary publicity to share information about additional Club awards and to record the names of Clubs that have donated additional monies to the Trust. Please report your plans to the 100th Anniversary Scholarship Project Leader, Lynn Franklin, by email at lynn.franklin@sympatico.ca .
